SUPERVISORS HOLD REGULAR MEETING

The Board of Supervisors met in regular session Monday, December 7th, there being present Wm. H. Brown presiding, Jas. T. Casey, John MacBain and Jos M. Francis.

The reading of the minutes of the last regular and special sessions was omitted.

Reports were received from Motorcycle Officers Brown, Logan and Vallejo and filed.

On motion of Francis, seconded by Brown, Mrs. Ellen Currie of San Mateo was granted state aid for the support of her half-orphan son, and Mrs. Agnes B. Devere of the same city was also granted state aid for the support of her three half-orphan children.

The following bids were received for public work in accordance with the Clerk's published notices:

For paving Oak Grove avenue at Menlo Park—

City Street Improvement Company, $7429.87.

Federal Construction Company, $9334.27.

Clark & Henery, $8408.41.

Petersen & Grier, $7395.10.

Raisch Improvement Company, $9792.06.

The Surveyor's estimate for this work was $6326.58. On motion of MacBain, seconded by Casey, the bids were laid over until the next regular meeting, December 21st.

For constructing bulkhead on the San Francisquito creek, Third Road District—

Harry B. Morey, $3324.15.

D. C. Howard, $3118.15.

P. H. McEvoy, $3578.50.

The Surveyor's estimate was $2,909.70. It was ordered, on motion of MacBain, seconded by Casey, that the contract be awarded to Howard.

For the John Meyn road in the Fourth Road District—

James Willison, $2162.04.

The Surveyor's estimate was $2093.18. On motion of Francis, seconded by Casey, the contract was awarded to Willison.

For Kelly avenue, Halfmoon Bay—

James Willison, $4384.78.

Wrightson, Anderson & Yost, $4945.05.

The Surveyor's estimate was $3,713. On motion of Francis, seconded by Casey, the bids were laid over until the next meeting.

For right of way fence on Belmont road—

A. D. McLellan, $1877.77.

This bid was below the Surveyor's estimate.

On motion of MacBain, seconded by Casey, the contract was awarded to McLellan.

The following named liquor dealers who had complied with the county ordinance and offered the proper bond were granted licenses:

First township—Fred B. Russi, Colma; F. H. Wright, Millbrae.

Fourth township—Manuel Lewis, Halfmoon Bay.

The following applications for liquor licenses were given first reading and will be acted upon a month hence:

First township—F. J. Madden, class B, San Bruno; J. E. Rodgers, Colma; Guisseppe Riccomi, Seven-Mile House; J. J. Foppiano jr., Millbrae; Leroy W. Lerned, Tobin; Victor L. Coppa, Colma; John T. Collins, Colma.

Third township—J. H. Livermore, La Honda road.

Fifth township—McCormick & Son, Pescadero.

Surveyor Neuman stated that he expected to be in possession of a deed of right of way through what is known as the Burke property on the Menlo Park to Portola road, but he was convinced that the Univeristy Realty Company, owners of this property, does not intend to keep its promise. He would advise the board to take legal proceedings to condemn a right of way through the property.

It was ordered on motion of MacBain, seconded by Casey, that the bids presented for the improvement of that road be returned unopened.

E. Paccata of San Bruno sent a communication asking that two lights be placed on Huntington avenu for the convenience of residents in that neighborhood. The communication was ordered filed.

A communication was received from the State Board of Equalization recommending that the County Assessor be delegated to attend the Assessor's Convention to be held in Merced on the 7th, 8th and 9th instant, his expenses to be paid. The communication was filed.

A communication was received from Mrs. Flora M. Underhill expressing her thanks to the board for having appointed her to the office of Auditor, made vacant by the illness of Mr. Underhill. The communication was ordered filed.

County Surveyor Neuman addressed the board and stated that there is due the county from the Shore Line Investment Co. the sum of $696.69 being for the construction of the road through the property of said company at Granada, said compny having heretofore agreed to pay for the construction of said road provided certain changes were made in the routing through said property.

The Clerk was directed to notify the Shore Line Company of the amouunt of its indebtedness to the county.

A communication was received from George C. Holberton of the Pacific Gas and Electric Company, complimenting the board on the attractive condition of the county roadways, made so by beautiful shade trees. Mr. Holberton advised that the board take steps under the "County Forestry Bill," to further beautify the county's drives.

The communication was received and ordered referred to the State Highway Commission.

A petition was received, signed by the McRorie-McLaren Company and others, protesting against a slaughter house, operated by the Peninsula Meat Company, near the Homestead in the Second township. The protest was referred to the County Health Officer on motion of Casey, seconded by MacBain.

The matter of purchasing the Drew property on the corner of Webster street and Broadway was taken up.

Protests against the purchasing of the property were read from the Redwood City Board of Trade, the Redwood City Woman's Club and the citizens of Redwood City.

C. E. Cumberson who, it was stated in a county paper, had said that if the purchase was consummated, graft would be charged, denied that he had been correctly quoted. His language was that, "If the Drew property was purchased, the newspapers would charge graft." He was opposed to a jail and detention home being located on that property because of its nearness to the schools and in his opposition he was voicing the sentiments of a great majority of the citizens of Redwood City.

Rev. David Crabtree and Geo. C. Ross both spoke against the proposed location.

Judge Fitzpatrick defended the proposed purchase of the Drew property on the ground that it was not the intention to erect a jail on Broadway, but on Webster street as near as possible opposite the courthouse and fifty feet from Broadway. The supervisors, he said, had been repeatedly directed by the Grand Jury to build a new jail near the courthouse. While endeavoring to follow these instructions they are meeting with opposition, but no one has come forward with a suggestion as to where the jail should be located.

District Attorney Swart condemned the present jail and its site as inconvenient, unhealthy and a reproach to the civic pride of the community.

D. E. Graham suggested that the jail be built on the roof of the courthouse.

Adjourned for the noon recess.

Afternoon Session.

The board reconvened at 1:30, the four members being present.

The following resolution relative to the completion of the State Highway was presented by MacBain and adopted on his motion, seconded by Casey:

"Whereas, there is but one link of road left to be built by the State Highway Commission through San Mateo county; and

"Whereas, it is of great public importance that this link, that is, the link between Beresford and Redwood City, be built at once; and

"Whereas, Chas. D. Blainey, Chairman of the California Highway Commission did, on May 1st, 1914, give assuurance to this Board in the following language, 'that it would be necessary for your honorable board to subscribe for $125,000.00 worth of State Highway bonds to complete the said highway entirely through your county (San Mateo). I am writing at this time to state to you that should your honorable board so subscribe for said bonds at once that the moneys arising therefrom would be expended entirely in San Mateo county and would make possible the early letting of contracts and the probable completion during 1914, of the only gap in the State Highway of San Mateo county which is yet uncompleted.'; and

"Whereas the said board of supervisors did thereupon purchase said $125,000.00 worth of State Highway bonds with the understanding that said road would be built at once; and

"Whereas said road has not yet been built;

"Now, therefore, be it

"Resolved, that it is the sense of this Board of Supervisors that said work should be done forthwith by said California Highway Commission in accordance with their assurance to this board of May 1st, 1914."

A resolution was presented by the District Attorney and adopted on motion of Francis, seconded by MacBain, directing the Auditor to draw a warrant for $1350 in favor of F. Carroll, executor of last will of John Carroll, in payment for county road right of way through the Carroll property in the First Road District.

Mr. Swart stated that he was in receipt of an offer from E. H. Rollins & Sons to take the remaining road bonds, amounting to $398,000 at par.

Edw. F. Fitzpatrick and Geo. C. Ross made closing addresses to the board for and against the purchase of the Drew property for a jail and place of detention.

A communication was received from Frank Larrouy offering to sell his propety at the corner of Hamilton and Marshall streets, having a frontage of 108 feet on Hamilton street and a depth of 100 feet, for $100 per front foot. The communication was filed.

At the request of MacBain, further consideration of the matter was postponed until the 21st instant.

Surveyor Neuman addressed the board in reference to the construction of the county road along the Tichenor property near La Honda. The matter will again be taken up on the 21st instant.

C. C. Tichenor complained that the county road between La Honda and San Gregorio was impassable and a great inconvenience to the residents of that section.

On motion of MacBain, seconded by Francis, the Surveyor was directed to make repairs on the road.

The Surveyor reported that 28,000 feet of wire fencing would be required to enclose the new road right of way through the Weeks property.

The Clerk was directed, on motion of MacBain, seconded by Francis, to advertise for the fencing material.

On motion of MacBain, seconded by Francis, Clark & Henery were granted an extension of thirty days on their Bay Shore road contract and Hess & Benson fifteen days on their contract on the Belmont road.

Surveyor Neuman notified the board that the Automobile Boulevard constructed by F. R. Ritchie, and that the grading of the road from Edgemar to San Pedro creek by James Willison, had been completed and were ready for acceptance. Both roads were regularly accepted.

The Surveyor informed the board that the Middlefield and Woodside roads had been completed and accepted, being constructed of the Warren type of pavement, and that in his opinion the county was not immune from charges for royalty on the pavement which was protected by patent.

The communication was filed. It was the understanding of the members that the contractors on both jobs had verbally assured the board of protection.

The Clerk was directed to publish the usual notice calling for bids for County Farm and Hospital supplies.

James Willison was granted an extension of sixty days on his contract on the road from Tunitas to San Gregorio.

It was ordered, on motion of Francis, seconded by MacBain, that a committee of three members be appointed to draft an ordinance fixing the charges for printing and report at the next meeting. The chair appointed Francis, Casey and MacBain.

It was ordered, on motion of MacBain, seconded by Casey, that the District Attorney commence suit against the University Realty Company to condemn a right of way

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

WORKING ANOTHER GOUGE.

Congress has placed a war tax of one cent upon all telegraph and telephone companies for every message or correspondence transmitted over their lines for which a charge of 15 cents or more is made. The corporation must make sworn statements to the Collector of the number of conversations and messages transmitted; and the companies, not the users or patrons must pay the tax thereon.

The Pacific Telephone and Telegraph Company is endeavoring, however, to foist this war tax upon its users, having already notified them accordingly by written notice.

This action of the company appears to be unwarranted and illegal, as no public utillity corporation in California, today, has the right to increase it rates without first receiving the permission of the Railroad Commission.

The last Legislature increased the taxes on telephone and telegraph companies and yet they were not allowed to raise their rates, merely because of an increase in taxation: and therefore how can they legally do it now?

It can be safely assumed that Congress in passing a war tax, did not intend that such large utility corporations as the telegraph and telephone companies should be exempt from paying any war tax; while railroad sleeping car companies would have to pay a tax, expressely imposed on the company. Nor is it to be supposed that the users or patrons of the companies should bear this tax while the corporations were untaxed. If such was the intent and purpose it cannot be garnered from the act.

The act imposing the tax provides expressely that the company on its sworn statement must pay the tax. Consequently, because the act puts the tax on the company and not on the user; and secondly, because placing it on the user would be to increase the rate, and the attempt is unwarranted and illegal.

A band of gypsies crowded into the store of Horace B. Gardiner one day this week. They were told to look out for Town Marshal Coleman. The name seemed to strike terror into the hearts of the Nomadic tribe and they departed hurridly. It was learned from one of them that the Gypsy paper in Oakland recently contained an article warning all Gypsies to steer clear of Redwood City as the Town Marshal, James Coleman, was a terror to all wandering tribes and would arrest all Gypsies that entered the town. Who thought that the mild-mannered Marshal had such a reputation outside his bailiwick.

TREASURER CHAMBERLAIN FILES BIG PERSONAL BOND

The largest individual bond ever filed in San Mateo county and undoubtedly the largest bond bearing individual endorsement recorded anywhere within the State of California during recent years, was filed with County Recorder Heiner last Friday.

The total amount of the bond was $557,000. It bears the endorsement of sixty-seven persons residing in San Mateo county and is given as a pledge for the honesty and ability of County Treasurer Chamberlain.

The total amaunt of this bond is several hundred thousand dollars in excess of the amount required by law. The law fixes the bond of the county treasurer at $350,000. The additional amount is a voluntary guarantee on the part of Mr. Chamberlain.

Elected for the first time in 1882, when he defeated Louis Jacobson by fourteen votes, P. P. Chamberlain has served the county for thirty-two years. During this long period of time the treasurer has cared for over $40,000,000 of the county's money. The business of the office exceeds $1,250,000 annually, hence the large bond.

The pledging of so many hundred thousand dollars by so many individuals is a strong testimonal to the popularity and integrity of Mr. Chamberlain.

The county treasurer of San Mateo county provides this great bond and cares for the county's millions for a salary not in excess of the wages earned by a bricklayer or a plasterer. The office pays $150 per month.

Several bondsmen that qualified on Mr. Chamberlain's bond four years ago have since passed away. They represented $100,000. They were: James Crowe, Beach Thompson, Geo. Grecley, C. R. Splivalo, H. McArthur and J. J. Moore.

Returns From Convention.

C. D. Hayward returned from the assessors' convention at Merced yesterday. The officials had a profitable and interesting meeting, many new ideas were advanced by the members, which will result in much good to the people. Owing to the fact that the poll tax was abolished at the recent election, the salaries of the assessors of the state, except those receiving a flat salary, will have to be revised, as the commissions received from the collection of poll tax paid the field deputies. Unless some relief is given the assessors by the next legislature, they will have to pay these deputies themselves, which would be a burden that they should not be asked to bear, There are only five counties which pay a flat rate salary, and all the expense of deputies are paid by said counties. These matters were thoroughly discussed by the convention.

L. P. Behrens has been appointed a member of the Argicultural Commission of the American Bankers' Association. There are only seven members on the commission who reside in different portions of the United States and represent their sections. Mr. Behrens represents the western portion of the United States. This is a very important commission which interests itself in the farming industry of the country. Mr. Behrens was made a member without his knowledge or solicitation.

Redwood City will have free mail delivery after the first of the year. Word to this effect was received from the postoffice department last Friday. The decision was brought about on the showing that Redwood had sufficient miles of paved streets and sidewalks to justify this service. In order to facilitate the installation of the service the trustees have ordered a renumbering of the houses and the renaming of several streets.

Mercus' Department Store is making a specialty of the W. L. Douglas shoe for men, designed specially for style, comfort and service.

Testa Must Pay for Defense

Judge Lampkin on Thursday rendered a judgment in favor of Attorney J. J. Bullock for $250 for legal services rendered Peter Testa of Visitacion. Testa's saloon was raided in October by the district attorney who found gambling in progress. The proprietor was arested and bought to this city. He employed Bullock to defend him and promised the attorney a fee of $300, paying a retainer of $50. Testa claims he only employed Bullock to continue the case as his regular lawyer, John D. Willard, could not be present. The court held that the attorney was entitled to the fee and rendered a judgment accordingly. Attorney Willard will appeal the case for his client.

Local Team Wins Banner.

The Junior Basket Ball Team of St. Ignatius College, San Francisco, was defeated by the Gymnasium team by a score of 32-8 Thursday evening. The Gymnasium team won the St. Ignatius pennant and will keep it tacked high in the rafters of the gymnasium until the losers can come down and win it back. There was a good crowd to witness the game. There was some fine playing done by Arnold Torres and Stanley Marcus for the Gymnasium team. Captain Looney of the St. Ignatius team said his team didn't hold their positions strong enough. Instructor Wiggins says that he thinks the Gym team able to beat any team of the same weight.

Services at Methodist Church.

At the Methodist church the subject of the 11 o'clock morning service will "The Love of God." At 7:30 in the evening the pastor will give the second in the series of Christmas sermons, the subject next Sunday will be "Christmas Giving; How, What and to Whom Shall We Give?" Music by the choir. Sunday school begins at 10 a. m., Epworth league at 6:45, subject, "How Much Do We Love Christ?" Lida Ruth Hall, leader. Next Wednesday evening at 7:30 the new district superintendent, Rev. John Stephens, D. D., will be here and speak and hold the first quarterly conference. All members and friemds are urged to be present and give Rev. Stephens a warm welcome.

A Wireless From Santa.

The committee having charge of the Christmas carnival at the gymnasium Friday the 18th inst., report having received a wireless from Santa Claus assuring them he will surely be on hand that night in boots, whiskers and sleigh bells. He also states that he has placed an order for several hundred bags of candy. One will be given to each child that will wish him a Merry Christmas.

Mrs. Graham, assisted by Mrs. Shaw and Mrs. Kincaid, will present forty young people in a playlet entitled, "The Fairy God-mothers' Lesson."

The Stanford quartette will add several numbers to the program.

The musician's union have generously donated an augmented stringed orchestra for dancing.

Ginger bread and apple cider will be in tempting array for those who desire refreshments, with apples and pea nuts on the side.

It is also expected that there will be some side shows, but the committee having these in charge are keeping their plans dark.

Suffice to say there will be amusement for old and young. Come and bring the children and join in the merry making, and by your small contribution assist in keeping the gymnasium classes open for our children. Admission, adults, 25 cents; children under 12, 10 cents.

Lasher B. Gallagher, young son of Robert Gallagher, the court reporter for the Superior Court of this county, was married at Oakland on Wednesday to Miss Viola Van Daalen, a San Francisco belle. They had intended to get married in Redwood City but missed the train, and concluded to tie the nuptial knot at the transbay city.

Sylvio Boicelli of Colma and a son of Dan Boicelli, was stabbed to death by Dominico Devoto at Colma last week. Mr. Boicelli passed his boyhood days here and was liked and respected by all who knew him. He was married and leaves a family to mourn his death. The murderer is still at large and the father of the murdered man has offered a reward of $100 for his arrest.

Resolution of Intention.

Resolution of Intention of the Board of Trustees of the Town of Redwood City to close and vacate as public alleys Lot "A" and a portion of Lot "B" as the same are designated and delineated upon that certain map entitled, "Map of resubdivision of Lots 2 and 3 of the Reese subdivision, Redwood Farm, Redwood City, San Mateo Co., Cal."

It is Hereby Resolved, by the Board of Trustees of the Town of Redwood City, County of San Mateo, State of California, that the public interest and public convenience require, and it is the intention now declared by the Board of Trustees of the Town of Redwood City, County of San Mateo, State of California, to order the closing and vacating as public alleys all those portions of Lots "A" and "B", resubdivision of Lots 2 and 3 of the Reese Subdivision of a part of the Redwood Farm, in the Town of Redwood City, bounded and more fully described as follows, to-wit:

Commencing at a point on the northerly line of Redwood Avenue distant thereon south 44 degrees, 25 minutes west 95 feet from the southwesterly line of El Camino Real; thence running north 45 degrees 30 minutes west 180 feet; thence north 44 degrees, 25 minutes east 85.2 feet to said southwesterly line of El Camino Real; thence north 48 degrees, 35 minutes west 21.27 feet to the south line of Lot One (1) of the Reese Subdivision; thence south 44 degrees, 25 minutes west along the south line of said Lot One (1) of the Reese Subdivision 192 45 feet to the southwesterly corner of said Lot One (1); thence north 45 degrees 30 minutes west 8.12 feet to the southeasterly corner of Lot Four (4) of the Reese Subdivision; thence south 44 degrees 25 minutes west along the southerly line of said Lot Four (4) 105 feet, more or less, to the intersection of the northeasterly line of Lot Twelve (12) of the resubdivision of Lots 2 and 3 of the Reese Subdivision if the same were extended northwesterly; thence south 45 degrees 30 minutes east along said extended line of Lot Twelve (12) 29.53 feet to the northeasterly corner of said Lot number Twelve (12); thence north 45 degrees 25 minutes east 192 feet; thence south 45 degrees 0 minutes east 180 feet to the south line of Redwood Avenue; thence north 44 degrees 25 minutes east 15 feet to the point of commencement, being Lot lettered "A" and a portion of Lot lettered "B" as the same are designated and delineated upon that certain map entitled, "Map of Resubdivision of Lots 2 and 3 of the Reese Subdivision, Redwood City, San Mateo Co., Cal.", which map was filed in the office of the County Recorder of the County of San Mateo March 18, 1908, in Volume 6 of Maps at page 3.

That it is unnecessary to levy an assessment to provide for the proposed work of vacating and closing said Lot "A" and portion of Lot "B" above described or any part or portion thereof.

And notice is hereby given that all persons interested and objecting to the closing and vacating of said portions of said lots and alleys hereinbefore described or any portions thereof are hereby notified to file their objections in writing in the office of and with the Clerk of the Town of Redwood City as Clerk of said Board of Trustees of said Town of Redwood City, County of San Mateo, State of California, as required by law.

And the said Clerk of the Town of Redwood City is hereby ordered and directed to publish this Resolution of Intention once a week for a period of four successive weeks in the "Times-Gazette", a weekly newspaper of general circulation, published, printed and circulated in said Town of Redwood City, as required by law.

And the Street Superintendent of the Town of Redwood City is hereby ordered and directed to immediately post conspicuously along the frontages of those portions of Lots "A" and "B" proposed to be vacated, a notice of the passage of said Resolution of Intention in the manner and for the period required by law, and also to cause a similar notice to be printed in a weekly newspaper published, printed and circulated in said Town of Redwood City in the manner and for the period required by law.

The "Times-Gazette," a weekly newspaper of general circulation, published, printed and circulated in said Town of Redwood City, is hereby designated as the paper in which to publish the notices required by law to be given and published by the Superintendent of Streets of said Town of Redwood City in relation to work of improvement hereinbefore referred to and described, to-wit: The closing and vacating as public alleys those portions of Lots "A" and "B" of the resubdivision of Lots 2 and 3 of the Reese Subdivision of a part of Redwood Farm, Redwood City, California, hereinabove described.

Passed and adopted by the Board of Trustees of the Town of Redwood City at a regular meeting of said Board held on the 7th day of December, 1914, by the following vote:

Ayes and in favor of the passage of the foregoing Resolution, Trustees; Deleau, Sampson, Tuchsen and Merrill.

Belated Contest Filed.

Papers in the long expected contest for the office of sheriff of San Mateo county were filed in the county clerk's office on last Tuesday. Mr. Mansfield challenges the right of M. Sheehan, who received a majority of 184 votes, to the office. As the law allows a contestant thirty days in which to bring a contest, it will be seen that Mr. Mansfield practically took the "count" as the thirty days were up on Wednesday, the supervisors having completed the official canvass on November 10. The case will in all likelihood be set for hearing by Judge Buck next week. According to law it matters not when the contest is heard, as Mr. Sheehan will take his office on the first Monday in January. Should the contest result in favor of the present sheriff, Mr. Sheehan would have to relinquish the office to the contestant.

Allegations of error, neglect of duty and fraud are made and these allegations refer to the conduct of every election official who served the county.

The claim is set up that ballots were incorrectly read, with reference to the name marked as the electors' choice for sheriff. That a proper check of the cvotes cast for the contestant was not made. That mistakes in addition prevented a correct tally of votes cast and further alleges general misconduct on the part of all election judges clerks and inspectors. In the papers filed it is also charged that in many instances there was a complete failure to count votes cast for Mansfield and that in other instances ballots that contained no expression of the wish of the voter in the matter of electing a sheriff were counted for the defendant in the suit. The final assertion is that the county board of supervisors did, after a canvass of the votes cast, on November 10, 1914, wrongfully declare Michael Sheehan elected to the office aof sheriff and that the plaintif believes that a proper count of the votes will show the returns to be in his favor.

New Masonic Lodge.

A new Masonic Lodge is being formed by the residents of Daly City and is to be known as Crocker Lodge. The members of the organization have asked R. F. Chilcott of this city to help them in their work and to be the first Master of the lodge. BANKRUPT SALES TO BE TABOOED

Council Takes Decided Stand in Support of Legitimate Business Methods

At its session Monday night the city council took a decided stand against the countenancing of what are termed "bankrupt sales," which were unanimously characterized as not alone detrimental to the business of the legitimate local merchant but calculated to impose upon the credulity of the general purchaser, who is thus induced to pay more than the real vaule of the goods offered under the impression that bargains are being secured, when as a matter of fact they are purchasing remnants of left-over stocks. Attention was called to the inefficiency of the existing ordinance when City Clerk Plump informed the council that he has received an application from Haskins & Jacoby for a sale of this character to be conducted during the last half of the present month only and asked that he be instructed as to the action he should take. When informed by City Attorney Mansfield that under the provisions of the law as it now stood, the license fee was fixed at $300 per quarter, a permit for a shorter time might be seccured at a pro rata rate, thus making the fee for a half month practically insignificant, a unanimous protest was voiced. Trustee Tuchsen was especially emphatic in his opposition, insisting that the application be denied and that the ordinance be immediately amended so as to discourage th class of business, which he characterized as illegitimate and detrimental to public interest. Insisting that immediate action be taken for the protection of the home merchant as well as the general public, he offered a motion that the City Attorney prepare for immediate action an amendment to the present ordinance which would increase the license fee for a so called "bankrupt sale" to $500 per quarter and require the payment of the full sum for any portion of that period The motion met with an immediate second from Trustee Deleau and was carried by the unanimous vote of the trustees. Acting upon these instructions, City Attorney Mansfield "got busy" and before the close of the session an ordinance embodying the suggested change had been prepared and was given its preliminary reading and is now ready for final adoption.

A report from the Board of Health was presented recommending that the council adopt a proposal submitted by Charles Turner for the disposal iof the garbage of the city. Favorable action upon the recommendation was urged by Trustee Sampson, who is a member of the Board of Health, as affording the only feasible solution of the vexing problem of garbage disposal with the exception of erection of a costly plant, the expense of which would prove a burden to the city. As the proposal of Mr. Turner involved the granting of an exclusive franchise for a term of ten years the trustees were averse to hasty action and with a view to a full understanding of the conditions required, invited Mr. Turner to fully explain his proposal at a conference to be held next Monday evening.

City Clerk Plump presented and read a resolution adopted by the board of supervisors at its session Monday in which the State Highwa Commission was severely called to task for its failure to complete the highway system in San Mateo count in accordance with the agreement made at the time of the purchase of the highway bonds by the county. A general discussion of the resolution brought out the opinion that this delay on the part of the Highway Commission, which was characterized as unjustifiable, was working a serious detriment to the plans of the city as well as the county and Trustee Tuchsen was named as a delegate to represent the city at a general conference of the municipalities of the county for the purpose of securing united action in support of the position of the supervisors.

City Engineer Sears reported that detailed reports of the work necessary for the construction of sidewalks and curbs on the County road to conform to the grades of the improvement made by the county, would be ready for presentation and action at the next meeting.

An application of Jose Conde for a license as a junk dealer, which was supported by a rather numerously signed petition, met with strong opposition from City Marshal Coleman and action was deferred until the next meeting. A discussion of the application brought out several weaknesses in the present ordinance and city attorney was directed to prepare an ordinance providing special regulations for dealers in junk and pawnbrokers, business which it was admitted required careful regulation.

At the suggestion of Mrs. Kalenborn, chairman of the Park Commission, the number of members of that commission was ordered increased from five to seven and Mrs. Geo. Stafford and A. W. Pioda were named as the additional members of the commission.

Resolutions were adopted declaring the intention of the council to make abandonment of Bartlett avenue and two unused alleyways in the property of the Redwood City Lumber Company. As these are unused streets the proceedings are merely formal and involve no expense to the city.

Two ordinances were given introductory readings which are calculated to place this city in complete readiness for the promised free delivery of mail. The first of these will require the compulsory numbering of residences and business places in accordance with an official map of numbers prepared by the city engineer. The second ordinance, drafted in accordance with suggestions recently made by the postal inspector, provides for the following changes in the names of streets:

Avondale Ave., from Crescent to Hyde street, will be changed to Hyde street.
South street, full length, to Grant Ave.
Portola Ave., full length, to Grant Ave.
Blaine Ave., full length, to Clinton street.
Davis street, from Harrison to Roosevelt Ave., will be changed to Fulton street.
Evans street, full length, to Grant street.
Gerwin street, full length, to Hudson street.
Wallace street, full length, to Hudson street.

In Aid of the Sightless.

The San Francisco Association for the blind will hold a Christmas sale of baskets and rugs at the following places in the county this month: Thursday, December 17, at John Suffrin's, 168 B street, San Mateo; Friday, December 18, Tiddy Bros., Burlingame. These sales will be a great success, for certainly the cause is a very meritorious one and besides the articles offered for sale are of the very best quality and hand made. The deft fingers of the blind turn out the finest work as has been demonstrated by the exhibitions given by them in the county on numerous occasions. The association will appreciate every effort made by the people on behalf of the blind whose affliction arouses the sympathy of everyone. The sale of these articles assist these unfortunate people who cannot help themselves, therefore everyone should be liberal in buying a basket or rug, knowing that the money will be expended for a good purpose.

LOCAL NEWS NOTES OF MENLO PARK

Intererting Paragraphs of General Interest Gathered About the Town

The Schwabachers have moved to the city for the winter. The schwabacher home at Atherton will undergo some improvements during the spring months.

R. Riley has been appointed care taker of the old Hoitt school property at Atherton. He moved to the place during the week with his family.

W. T. Casey has been awarded a contract to do all the plumbing work on the Schilling new mansion at Easton. The residence adjoins that of Fred. Kohl's new home.

Miss Jane Flood has returned from a several months' visit in New York and is at her home on Broadway, San Francisco. She will spend Christmas with the James Floods at their home in Menlo Park.

The rain fall for the recent storm as recorded by the rain gauge at the depot has been 3.58 inches, the total rain fall for the season being 5.24 incbes. There were over six inches of rain at this time last year.

Charles Brandenstein, who recently purchased the P. P. Moore place at Atherton, has awarded a contract to a Palo Alto contractor to do certain alterations on the residence amounting to $5,593. The work must be done in 90 days.

Robins have made their appearance, having come down from their home in the north with the recent storm. The bird feeds upon red berries which are abundant this time of the year. There is no open season for hunting or killing the little red breast as he is classed as a song bird.

Mrs. Philip Wales, wife of Major Wales, returned from the Peninsula hospital at Palo Alto on Tuesday after undergoing an operation for appendicitis. She has not been well since her return and this fact has given her family much concern. It is hoped, however, that Mrs. Wales will soon recover.

Young Rodolp, the game warden who was shot and killed at Los Banos recently, was well-known here. Seven years ago he was a student at Holtt's school. He was a likeable boy, popular and a great favorite with the young people here. His untimely death was a great shock to his friends here.

Jacob Stern has awarded a contract to the Dorward Pump Company for the installation of a deep well pumping engine to be completed by January 30th, 1915, at a cost of $2,173. Mr. Stern is contemplating the laying out of large and beautiful grounds around his new residence at Atherton and wants a good water supply, which the new pumping plant will produce.

"Jim," the prize Llwlyn setter owned by Professor Clark and valued at $150, was poisoned Tuesday and despite every effort of the owner to save the animal he passed to the happy hunting ground. A Palo Alto veterinary was called but his efforts were unavailing. The dog poisoner is certainly a very despicable person, one that should have no standing in any community. Such a being is unfit to live in a civilized country. We are sorry to state that such persons reside here. We feel ashamed to acknowledge it.

The square surrounding the Southern Pacific Company's depot is certainly a disgrace to the corporation. Mud is several inches deep, while sheets of water remain in the center of the street over which automobiles must pass. Last year the company hauled a number of cars of soft rock on the square but it has crumbled into fine dust, making slush and mud, leaving the thoroughfare in a worse condition than it was before. It is surprising that a wealthy company like the Southern Pacific will permit such a state of affairs to exist. The superintendent's attention has been called to the matter several times and he promised to give the people relief, but nothing, however, has been done. Let us hope that the corporation will do something shortly to assist its patrons who get on and off the trains at this point.

Tells of Magnificent Wilds.

David A. Curry, first principal of Sequoia Union high school, occupied the stage of the Bell theatre Thuursday afternoon and evenin with a lecture which he gave in connection with 5000 feet of motion pictures of the Yosemite Valley. Mr. Curry came to Redwood City in 1895 to open the new high school. He stayed here four years and then became "Curry of Palo Alto" and did business as a furniture dealer. Then the great Yosemite called him and he became "Curry of Yosemite" and thousands upon thousands of tourists have come to know him and have accepted his hospitality, for all of which they gave the proper remuneration however, and through his wonderful insight into the tourist trade he has built up a business that is very valuable. Curry is now known as the "Senator of the Yosemite." We do not know why he should have this titleunless it is because he is so noisy; for each evening his great voice is raised so that the cliffs send it back in echo after echo, and the dwellers on the top of the mountain by the side of the, overhanging rock throw over fire to show that they have heard him. Curry of Yosemite has become an institution in California.

HIGH AND GRAMMAR SCHOOLS HEAR MESSAGE OF PEACE.

The students of the highschool, Monday morning, were privileged to hear in a forty-minute talk, Edward Berwick, acting president of the American School Peace League, and also vice president of the International Arbitration Peace Association of London. Mr. Berwick said that the past century was noted for its utilization of mechanical forces, while the coming century, he predicted, would be noted for its utilization of intangible forces. He discussed several wars, elaborating the insignificant causes leading up to them. The two points he emphasized were, the Celebration of the Centenial of the Treaty of Ghent, 1814, and the realization of the Monroe Doctrine as applied to Canada and the United States. He brought out that the Treaty of Ghent was remarkable in that it did not contain a single clause to humiliate either party to it. The agreement between England and the United States, regarding the non-fortification of the line between United States and Canada and the complete absence of war vessels on the Great Lakes, was made a graphic point toward the possibility of obtaining peace by preparing for peace.

He refuted the arguments usually put forth, that the hinderances to international peace are human nature, racial antipathy, and personal honor. Concerning the latter point, he said, "Nothing can dishonor an individual or nation unless that individual or nation dishonors itself" Mr. Berwick thoroughly believes that the proper way to obtain peace is to prepare for peace and not for war; that one gets what he prepares for; that if one prepares for war, he gets war; and that if one prepares for peace, he gets peace.

He appealed to the students to exercise their influence toward the peace movement, clearly showing that the matter of peace and war is dependent upon public opinion, and that each one exerts a portion of the influences, which combined we call public opinion.

Mr. Berwick also gave a similar interesting talk at the grammar school.

Board of Supervisors.

Continued from first page

through the Burke property west of Menlo Park for a road right of way.

A communication was received from the Santa Cruz Board of Supervisors asking the board to cooperate in the extermination of squirrels near the county line.

Francis spoke in favor of the movement, stating that his people desired to rid their section of the pest.

J. A. Ross, an inspector of the Government Health Service, stated that a field inspector would be provided to supervise the work, provided the county appropriate a monthly sum not to exceed $75 to pay the cost of the campaign.

A resolution was adopted on motion of Francis, seconded by Casey, authorizing the expenditure.

A deed of easement through the property of B. D. Weeks in the Third Road District for a county road was presented by the District Attorney and accepted on motion of MacBain, seconded by Casey.

Wm. H Shaffer was granted a license to peddle meat in the First township on motion of Casey, seconded by Mac Bain.

Casey stated that the committee appointed at a recent meeting to report on the cost of constructing a culvert to carry off the flood waters at Cypress Lawn and Holy Cross Cemeteries, had recommended the payment of $400 toward the cost of the culvert and right of way.

MacBain reported that Frank P. Roach of Menlo Park was unable to ship flowers out of the State because they had not been inspected. It was ordered on his motion, seconded by Francis, that the Clerk call the attention of the State Horticultural Commission to the matter.

A protest was received from the Jersey Farm Company against the establishment of the San Pedro Lighting District, a portion of which is on the Jersey Farm property. The protest was ordered filed.

The District Attorney stated that due to a misunderstanding as to the duties of the different officers, contracts for public work are sometimes not properly executed. It was agreed that the Clerk is to notify Mr. Swart of the parties to whom contracts are to be awarded and he will prepare the contracts and deliver them to the Surveyor who will see that they are signed by the contractors. This plan was adopted on motion of MacBain, seconded by Francis.

It was ordered on motion of Francis, seconded by MacBain, that the county purchase a lot for $250 from the Woods estate at Halfmoon Bay for a jail site.

It was ordered, on motion of MacBain, seconded by Casey, that the chairman appoint a committee of two to confer with the Grand Jury expert with a view to installing a new system of accounting in the Auditor's office. Supervisors Francis and Casey were appointed.

On motion of Francis, seconded by Casey, the Surveyor was authorized to purchase a Ford automobile for the use of the chainmen of his surveying crew.

AFTERNOON OF GAMBLING HAS A TRAGIC ENDING

PESCADERO, Dec. 9—A shooting affray occurred at this place Monday afternoon which may cost the life of Walter Bloom, a well-known resident of Pescadero. The shooting occurred at 3 o'clock in the presence of witnesses in Bennett and Duarte's saloon. It was the outgrowth of an afternoon spent at poker-playing and drinking, in which ill temper was a pronounced feature.

Bloom, who is aged 30 years, and a number of companions had engaged in a lively game of poker in Kerwin's saloon and the betting was high. They drank considerably while the game was in progress and it is understood that A. F. Glenn, one of the party, lost a large sum of money. Glenn, when broke withdrew from the game in an ugly mood and went to Bennett and Duarte's place where he became involved in a quarrel with Walter Betts. At this moment Bloom also entered the saloon and injected himself into the quarrel, taking the part of Betts.

It was agreed that Bloom and Glenn would settle the matter in a wrestling bout. While they were preparing for the contest Glenn drew his revolver and shot Bloom, the bullet entering his abdomen.

Although painfully wounded, and perhaps fatally, Bloom used his remaining strength in giving his assailant a fearful beating.

Glenn was arrested and turned over to Constable Bennett, by whom he was taken to Redwood City Wednesday morning, accompanied by Deputy Constable Perry. He claims that he was first assaulted by Bloom, but in this particular he is disputed by those who witnessed the affray. Glenn is an employe at the mill of the Widemann Company. He is a new comer at Pescadero and is said to be of a quarrelsome disposition and in the habit of carrying a gun.

Walter Bloom is the son of I. T. Bloom and has lived here many years. He was taken in charge by Dr. Thompson who ascertained that the bullet had passed through his liver, making a very dangerous wound. He was placed in an automobile and hurried to Santa Cruz for medical treatment.

Constable Bennett and his deputy, Perry, arrived in this city yesterday at noon with Glenn, who was lodged in the county jail where he will be held awaiting the result of Bloom's wound. It is understood that the delay in bringing him to jail was caused by a doubt as to whether the expenses would be paid. District Attorney Swart directed that the prisoner be at once delivered to the Sheriff.

STOP BUYING EXPENSIVE COUGH REMEDIES

Make the Best at Home

Money spent for the old style ready-made, cough syrups in bottles holding only 2 to 2½ ounces is very largely wasted, because most of them are composed principally of sugar and water. Yet you have to pay the same price as if it was all medicine. Stop wasting this money. You can make a better cough medicine at home at one-fifth the cost. Merely go to Ryan's Drug Store and ask for 2 ounces (50c worth) of Schiffmann's Concentrated Expectorant. Mix this with one pint of granulated sugar and one-half pint of boiling water, which makes a full pint (16 ounces). This new, simple, pleasant remedy is guaranteed to relieve the worst cough or cold. Also excellent for Bronchial Asthma, Bronchitis, croup, hoarseness and whooping cough. One bottle will make enough home-made cough medicine to probably last the whole family the entire winter. Children like it, it is so pleasant to take and it positively contains no chloroform, opium, morphine or other narcotics as do most cough mixtures. Keep it on hand in case of emergency and stop each cough before it gets a firm hold. The above druggist has been authorized to return the money in every single case where it does not give perfect satisfaction or is not found the best remedy ever used. Absolutely no risk is run in buying this remedy under this positive guarantee.
